the **LADY OF THE CLIFFS**
THE BURY DOWN CHRONICLES, BOOK TWO

Now nearly seventeen, Megge and her cousin Brighida must endure another brutal loss. As they perform the rites of transition that precede a burial, Megge falls under the spell of silent voices that beckon her back to the cliff of Kernow, which she has seen only in dreams. But when the tales of an old woman, a stranger to Bury Down, conjure those cliffs, Megge embarks on a journey that leads to a secluded cove they call The Sorrows and a mystical destiny none of the women of Bury Down could have foreseen.
