BENTON, ARKANSAS, UNITED STATES, December 6, 2022 /EINPresswire.com/ -- Alcoa Community Federal Credit Union Expands Service Area To Include Four New Counties

Effective immediately, Alcoa Community Federal Credit Union can now service customers in Garland, Hot Spring, Grant, and Perry counties. In addition, there are plans to open locations in 2023, positioning Alcoa Community FCU as a strong community partner in those counties.

"We are committed to bringing the same quality and personal service to the people of Grant, Garland, Hot Spring, and Perry counties that we have been providing to Saline County residents for over 65 years," said Steve Brown, CEO. "We have offered some of the lowest auto, HELOC, mortgage, and personal loan rates and some of the highest deposit and savings rates to Saline County communities for years. We are excited to offer those things to the folks in our new counties."

Benton will continue to be the corporate headquarters, with plans to open physical locations in 2023. Grant, Garland, Perry, and Hot Spring County residents can become a member or apply for a loan today even without a local branch; both services are fully electronic.
