Director of The Ed Asner Family Center says, "Just a few years ago I was a single mom of four and struggling mightily around the holidays to provide gifts for my children. I am so honored to be able to be part of an event that can help parents fulfill their wishes to their own families this holiday season! The Ed Asner Center is proud to partner with Autism Live on this year's Sensitive Santa!"

The high-quality toys featured in this year's event were donated by top toy companies featured in the 2022 Autism Live Toy & Gift Guide. The toy award winners were chosen because they are not only fun to play with but are geared to help children, teens and adults on the spectrum build skills and make progress toward achieving their goals. Some of the manufacturers generously donating toys include Fun in Motion®, University Games®, Discovery Toys®, Distroller®, Smartfelt Toys®, Think Psych, Go Chuckle®, Wrebbit 3D® and Lux Blox®.

The event is FREE; however registration is required and tickets are required on the day of the event. Families can register by visiting:
