Analysis of Key Market Players

The report contains the profiles of the top companies, along with a SWOT analysis and market strategies for the Extended Detection and Response market (XDR). The Extended Detection and Response to (XDR) Solutions report focuses also on the top industry players and includes information such as company profiles and components, services offered, financial information from historical years, and key developments in the last five years.

Extended Detection & Response (XDR), Solutions Market Report Includes the Following Players

CrowdStrike

Sophos Intercept X
SentinelOne
Trend Micro
Rapid7
Bitdefender
Palo Alto Networks
LogRhythm
VMware Carbon Black
Netsurion EventTracker
Armor Anywhere
Cybereason
BlackBerry Optics
Cynet 360
Elastic Security

Market Scope

Global Extended Detection and Response Solutions Market Analysis to 2030 (XDR) is a specialized and detailed study that focuses on global business trends. This report provides a comprehensive overview of the Extended Detection and Response market (XDR), as well as detailed market segmentation according to type, end-users, and geography. Extended Detection and Response XDR Solutions provides vital statistics about the industry and highlights key trends and opportunities.

Segmentation of the Extended Detection and Response Solutions (XDR) Market by Type:

[Artificial Intelligence \(AI\)](#)

[Machine Learning \(ML\)](#)

Market Segmentation by Application

Large Enterprises

SMEs
