

# Gartner® recognizes EFESO Consulting as a supply chain and operations consulting specialist

*Gartner® recognizes EFESO as a Specialist in the 2022 Market Guide for Supply chain strategy, planning and operations consulting for the fourth consecutive year*

PARIS, FRANCE, December 6, 2022 /EINPresswire.com/ -- EFESO

Consulting, the Operations Strategy and Performance Improvement consultancy, announced it has been mentioned by Gartner®, for the fourth

consecutive year, as a Specialist Services Provider in the 2022 Gartner Market Guide for Supply Chain Strategy Planning and Operations Consulting.

EFESO IN GARTNER'S 2022 SUPPLY CHAIN AND OPERATIONS GUIDE

With Supply chains facing unprecedented global challenges, it is key to find the right partner. As

“

In 2022, we have been particularly focused on supporting supply chain leaders navigate a high level of uncertainty with unprecedented number of challenges they are still facing.”

*Clive Geldard, Group VP and Supply Chain practice leader at EFESO*

indicated by Gartner, companies that are looking to consultants for help focus on supply chain strategy and planning projects, which include: Digital supply chain strategies and roadmaps; Supply chain network modelling and analysis; Supply chain planning including sales and operations planning (S&OP) and sales and operations execution (S&OE). The market guide outlines attributes of representative vendors that are providing offerings in the market to give further insight into the market itself.

“EFESO Consulting is extremely pleased to have been recognized as a trusted partner for its supply chain and operations [expertise](#), among only 25 other consultancies. In 2022, we have been particularly focused on supporting

supply chain leaders navigate a high level of uncertainty with unprecedented number of challenges they are still facing. We are continuously helping them make their supply chains more

resilient by sharpening their approach. Our main goal is to refocus activities on business and customer needs where it makes a difference: creating chains that are adaptive, flexible and resilient to disruptive market and economic forces as well as being environmentally sustainable with 360 degree closed-loop solutions. " Clive Geldard, Group Vice-President and Supply Chain practice leader at EFESO.

EFESO's offer in supply chain is all about helping organizations create new value through purpose-led progression and sustainable improvement. Our interventions bring tangible results measured on the top and bottom line, with outcomes that drive customer satisfaction, organization alignment and cross-functional collaboration, whilst considering the needs of external stakeholders, society and the environment.
