GLEN RIDGE, NJ, UNITED STATES, December 6, 2022 /EINPresswire.com/ -- Check out the new Mark Rollins Adventure, [Treasure of the Diary](#), an enjoyable family friendly mystery. It is both educational and entertaining, weaving historical fiction and familiar places into a seemingly realistic adventure mystery.

In the tradition of a rags-to-riches story, three Belmont college students find a one hundred and fifty year old diary written during the Civil War. Using their wit and modern technology, they discover the diary's secret and their find sends them to Asheville and the western North Carolina mountains in search of buried treasure.
