appointment letter for her hard work all year.

YHSGR Accountability Coach Roche "Ro" Lubguban reflected back on the importance of each position at Your Home Sold Guaranteed Realty administrative staff team and reminded everyone to "focus on the right priorities at the right time to not be overwhelmed; have a complete understanding of each position in the team, know your personal WHY - deep motivation, and know your people - their WHYS... and GO SERVE BIG!"

"Consistency is the key. One should make sure that we don't stop until we reach our daily goals. We need to factor in 50% error in our breakdown of daily goals since it is expected that something unfortunate may happen, thus preventing us from reaching our goals. These are the things we need to replicate during our one on one sessions with our associates so that they can benefit from the lessons we have gained during the symposium," noted YHSGR Accountability Coach Jennylyn P. Santos. "We should have the appropriate mindset and mental toughness in reaching our goals. The only person we need to compete against is ourselves. We should be a better version of ourselves daily, carefully keeping the good experiences and learning from the bad ones. In everything we do, we should always choose kindness, no need to badmouth and compare yourselves with others. After all, our WHYS are entirely different from each other so we cannot use our pre-set goals to all our agents. We need to make sure that we understand their whys so we can effectively motivate them to succeed."

The associates had a great time with their families and experienced Boracay Island's crystal-clear waters and powder-white sand at the Henann Regency.
