/EINPresswire.com/ -- As a firm, [The Lovely Law Firm Injury Lawyers in Myrtle Beach](#) recognizes the

importance of ensuring that every child is able to experience the joy of Christmas. In this regard, they have

chosen to partner with [The Salvation Army Angel Tree program](#) in order to provide and advocate for donations that will supply Christmas gifts and necessities to 20 different families. Over one million children in need receive new clothing and toys each year as a result of the Angel Tree program. Donors can shop for a child's wish list once they have been accepted as an Angel.

“

We're so excited to participate in Angel Tree Program this year. Getting to read about each individual child and what they want for Christmas is adorable yet incredibly humbling.”

Having the Angel Tree program present at the office of The Lovely Law Firm Injury Lawyers provides employees and clients the opportunity to select children to purchase gifts and donate them onsite.

This Christmas, families are having a difficult time providing gifts for their children due to unemployment and financial hardship. The Salvation Army expects to provide holiday assistance to up to 155% more people this year due to the economic impact of the ongoing health crisis. Among the services provided are the provision of food, the payment of rent and utility bills, the provision of shelter, and the placement of presents under the tree through Angel Tree and other local gift-giving programs.

How The Angel Tree Program Works

During the holiday season, the Angel Tree program is not only intended to provide new toys for needy children, but also clothing, beds, and other necessities. Prior to the holiday season, families who are eligible to participate in the programs submit requests to the Salvation Army for items that each household member needs.

Here's how the Angel Tree program works:

The Salvation Army is referred by social service agencies and schools to help families with Christmas. Interviews are conducted to verify that the family truly needs assistance.

The Salvation Army obtains the names of each child and special needs adult in the family as well as a list of the gifts they would like for Christmas. In order to ensure there is no duplication of services provided by another agency, verification is conducted.

Angel Tree

Each individual is given an angel tag, which is placed on the Salvation Army Angel Tree at The Lovely Law Firm Injury Lawyers' office and other participating organizations. Angels are selected by generous donors, gifts are purchased, and the gifts are returned to the Angel Tree by the set deadline. Once the deadline has passed, the gifts are transported to the Salvation Army Christmas Distribution Center for pickup. Gifts are picked up by families within the seven days prior to Christmas Eve.
