

Relax with MOUNTRAX Foot Massager

We always need some personal time to relax and unwind

NEW YORK, UNITED STATES, December 12, 2022 /EINPresswire.com/ -- People always feel shooting pain in feet when reaching home after a long tiring day at work. Some people don't feel pain but their feet go numb and tingle a lot. All these signs are overuse of the feet muscle which usually ends up in inflammation, swelling, and pain.

Good news here - this foot pain and tingling can be fixed or buffered at home with [MOUNTRAX Foot Massager Machine](#).

Benefits of Foot Massage

As is known, foot massage can be traced back to five thousand years ago, as recorded in the Vedic literature as a part of the interaction between guru and disciple, man and wife, or companions. It goes far beyond pain relief, and helps boost immune system, increase circulation and balance energy for overall health.

Enjoy Foot Massage at Home

[MOUNTRAX foot massager](#) practices the principle of reflexology and offers a professional foot massage right at the comfort of home. The massage nodes will accurately target the acupressure points or reflexes that are related to different body parts, thus revitalizing energy for full body relaxation.

It's normal mild soreness is always felt during massage. MOUNTRAX foot massager features adjustable intensity and always applies the right pressure on feet for different walks of users to maximize comfort and minimize normal soreness from massage.

Furthermore, [MOUNTRAX Shiatsu Foot Massager](#) comes with an optional heating mode that helps combat cold feet during cold days.
