CloudWave Inc. announced today that it has been awarded a \$23M blanket purchase agreement as a Subcontractor to Navancio with the U.S. Small Business Administration (SBA). The program will support the SBA's Office of Disaster Assistance (ODA) Shuttered Venue Operators Grant (SVOG) Program's efforts to streamline workflows and automate and expand capabilities within its existing Salesforce environment.

The SVOG program was established in December of 2020

as part of the Economic Aid to Hard-Hit Small Business Nonprofits, and Venues Act. The grant program supports approximately \$16 billion in grants to venues that have been impacted by the coronavirus.

Under the five-year agreement, CloudWave Inc. will help design and develop a SaaS program, bringing new functionality and features -- increasing productivity and improving audit reporting by automating current manual processes and streamlining the efforts required to meet SBA needs.
