

FRANKS HIGH FIDELITY OF WOLCOTT LAUNCHES SECOND WEBSITE DESIGN WITH AD GLOBAL,LLC

AVON, CT, UNITED STATES, December 10, 2022 /EINPresswire.com/ -- AD GLOBAL LLC, a digital marketing agency based in AVON, CT, is proud to announce the launch of a newly designed website for [Franks High Fidelity](#) in Wolcott, CT at [frankshifi.com](#).

Franks High Fidelity provides first-class electronic automotive and breathalyzer installation and removal services. They strive to be the best at what they do. Whether it's electronic automotive repair or breathalyzer service, their goal has always been and will continue to ensure that vehicles will be safe for the road as well as provide drivers with equipment installation or removal so they can return to normal driving conditions. To provide excellent customer care while ensuring vehicles are safe for roadways with Franks qualified technicians they will install without an issue! Their goal is to be a go-to place for safe and affordable electronic automobile service for the local area in Connecticut, and they hope to showcase their expertise through the newly-designed website, which is the second version of this site created by [AD GLOBAL,LLC](#).

"We want to make it as easy and straightforward for people who have been charged with a DUI or DWI," says Frank Carinha. "That's why our website is designed so that anyone can find out what steps need to be taken right away!" The website for Frank's High Fidelity is designed with a professional feel and provides facts for information on how to maintain your breathalyzer. He plans to inspire enough confidence in the customer to choose the best choice they can afford. The goal of this company, as expressed by Frank's statement "to provide the best installation service possible through quality products at affordable prices," The website functions as their virtual customer representative to provide instant information after a person has had a DUI or DWI."

"We wanted to help support Franks recruitment needs with the website redesign by including custom pages and footage from the photo/video shoots of their team, their facility, and their products," says Pete. "In addition, we included a few videos that help paint a clearer picture of Frank's welcoming and unique culture. They are already seeing a positive change in the volume of visitors."

AD GLOBAL's services for a website's initial build or redesign include an in-depth consultation with the business owner to determine the major goals and areas of opportunity for the site. The team implements custom design components, unique content writing, and a comprehensive

SEO strategy tailored to the client and their customers. Clients can also work with AD GLOBAL on Google Ads strategy, blogging campaigns, and more.

“AD GLOBAL,LLC has always treated us like we are their only customer,” says Carinha. “Their employees' SEO knowledge is constantly evolving, our account rep is proactive during projects and timely in responding to new issues. The owner Deangelo Hawthorne has always taken an active role in ensuring the services rendered are best in class.”

Franks High Fidelity provides reliable, affordable service to those seeking electronic auto repair and breathalyzer installers in the Wolcott, CT area.
