

Dr. Zvi Levrان, Youth Hockey Doctor that Use to Practice in Minnesota, Charged with Sexual Misconduct

FERGUS FALLS, MN, USA, December 13, 2022 /EINPresswire.com/ -- Recently, Sommers Schwartz learned that a former Lake Region Healthcare Corporation doctor is capturing the limelight of Minnesota news. Dr. Zvi Levrان has over thirty-three years of experience practicing urology. The former Minnesota hockey team doctor has been charged in Oakland County, Michigan, for sexual misconduct.

Dr. Zvi Levrان, a community-known urologist, provided medical care to youth hockey players in Michigan from 2000 and 2011. He then moved to Fergus Falls, Minnesota, where he practiced urology from 2011 to 2018. By the summer of 2018, he moved back to Metro Detroit.

On October 18, 2022, Dr. Levrان was first arrested for sexually assaulting a 19-year-old man during a medical examination at Dr. Levrان's residence. Oakland County prosecutors charged Zvi Levrان with four counts of third-degree criminal sexual conduct and three counts of fourth-degree criminal sexual conduct. At the time, he was released on a \$100,000 bond.

On November 11, 2022, prosecutors authorized ten charges against Levrان after other victims—all linked to hockey leagues located in Minnesota and Michigan—stepped forward, and investigations uncovered further instances of sexual misconduct.

The new charges against Zvi Levrان include one count of third-degree criminal sexual conduct, one count of second-degree criminal sexual conduct, and eight counts of fourth-degree criminal sexual conduct. Prosecutors are also charging Levrان with alleged sexual assault against a 30-year-old man in December of 2020 and a 14-year-old boy in January of 2018. With these new charges, the bond requirement was increased to \$2 million. Since he could not pay the cash or surety, he has been held at the Oakland County jail.
