DOHA, QATAR, December 11, 2022  
/EINPresswire.com/ -- Their latest released single and music video "Crazy Stuff" is a nostalgic generic look back at youth. Back too a time when we all felt carefree with no responsibilities and could be impulsive. It was more about the thrill of being alive than the rules and conforms of the adult world. These days pass by fast and so are often recalled through Rose Tinted Glasses.

"It only felt like yesterday, It was the time of our lives  
I wish it had been yesterday, Those days are still etched in my mind"

Their debut released single and music video "THIS TIME" is an inspirational uplifting song that the world needs right now in an uncertain era of COVID19. It reflects how life can sometimes feel in a crazy modern world and how we must keep pushing forwards. As in life we have to always find our way and persistence is the key to enable us to realise our goals and dreams. The song transitions through various phases and motivates the listner.

“

Somehow This Time, I Think  
You Can Make It"

*Spencer/Sharma*

Hope springs eternal and therefore "Somehow This Time, I Think You Can Make It"
