Jeremiah Valeria and Silvia Vanni at the 2021 Gold Ribbon Hero Tree Lighting. Jeremiah passed away one month ago and is now an Angel.

The ceremony is not open to the public and will be solely for the children battling cancer and their families. Children in all stages of treatment as well as survivors will join the foundation for an evening of fun and excitement.

This special ceremony will remind the parents and families that they are not alone in their fight and that their children are never forgotten. The holidays are especially difficult for families that have lost a child, we honor the memory of each of their children so that they know they continue to live on in our hearts and will always be remembered.

Gold is the color that represents Childhood Cancer because "Our children are more precious than gold".

The Mystic Force Foundation was founded in 2008 by Dr. Steven & Silvia Vanni after their then 4-year-old son, Salvatore, was diagnosed with Stage IV Neuroblastoma Cancer. Salvatore lost his battle with cancer in 2011 but his legacy continues to change the lives of all children battling this devastating disease. This year is the Foundation's 14-year Anniversary of raising awareness and desperately needed funds for Childhood Cancer Research, as well as advocacy in Washington, DC, granting 'Wishes', delivering toys, holding in-patient hospital parties, and bringing Hope, Joy, Happiness and Smiles to the littlest Heroes battling Childhood Cancer. They are also celebrating the 4th

anniversary of The [Heroes Hangout](#), the country's first Childhood Cancer Haven dedicated solely to children battling cancer located in North Miami Beach. The Heroes Hangout serves children from hospitals throughout South Florida, is free to all families battling cancer, and is 100% community supported
