

Opkey is Now the #1 App on Oracle Cloud Marketplace for Test Automation

Five-star user reviews lead to top positioning on Oracle's partner portal

DUBLIN, CALIFORNIA, UNITED STATES, December 13, 2022 /

EINPresswire.com/ -- [Opkey](https://www.opkey.com), the industry leader in test automation for packaged applications, is now the top-rated app for test automation on the Oracle Cloud Marketplace.

The Oracle Cloud Marketplace serves as a directory of businesses that

partner with Oracle to provide applications and services. The platform allows and encourages users of these apps and services to rate the companies and share their experience. These reviews determine the ranking of each service provider. Opkey now ranks as the #1 app on the marketplace, and is a test automation platform that specializes in ensuring critical Oracle patch updates are implemented seamlessly.

“

Hearing that our Oracle Cloud customers are happy with our test automation platform and the level of service we provide is beyond encouraging. This is exactly why we do what we do.”

Pankaj Goel, Opkey's CEO

“Hearing that our Oracle Cloud customers are happy with our test automation platform and the level of service we provide is beyond encouraging,” said Pankaj Goel, Opkey's CEO. “This is exactly why we do what we do.”

You can view the reviews and rankings by visiting the Oracle Cloud Marketplace here:
