DelphianLogic, along with F. Hoffmann-La Roche, AG, won the gold award under the Best Advance in Content Management Technology (CMT) category for the Learning Content Lifecycle Management (LCLM) application. Designed and developed specifically for Roche, the Learning Content Lifecycle Management (LCLM) application is a first-of-its-kind cloud-based platform that automates the task of managing, governing, maintaining and tracking all of the organisation's learning content assets across their entire lifecycle, thereby increasing their shelf life and the organisation's returns on their content investments.

“

2022 has been nothing short of extraordinary. This win follows our 8 impressive wins at the Brandon Hall HCM Excellence awards earlier in 2022. I have no doubt there are more to come.”

“2022 has been nothing short of extraordinary. This win follows our 8 impressive wins at the Brandon Hall HCM Excellence awards earlier in 2022. I have no doubt there

are more to come.” said [Saurabh Ganguli](#), CEO of DelphianLogic.

“From our research, we know that more than half of organisations say it is critical to advance the HCM technology ecosystem to succeed in the future of work. Winners of our Excellence in

Technology awards are the pace-setters in ensuring employers have the leading-edge tools they need to evolve and prosper in the challenging environment we all work in," added Brandon Hall Group, Chief Operating Officer and awards program head Rachel Cooke.

Entries were evaluated by a panel of veteran, independent senior industry experts, Brandon Hall Group analysts and executives based upon these criteria:

Product: What is the product's breakthrough innovation?

Unique differentiators: What makes the product unique, and how does it differ from any competing products?

Value proposition: What problem does the product solve and/or what need does this product address?

Measurable results: What are the benefits customers can expect to experience as a result of using this product?

Winners of the Excellence in Technology Awards are scheduled to be honoured at Brandon Hall Group's HCM Excellence Conference, Jan. 31-Feb. 2, 2023, at the Hilton West Palm Beach, Florida.

"We are honoured to celebrate the foresight and ingenuity of our Technology award winners!" said Brandon Hall Group CEO Mike Cooke. "More than 80% of employers are optimistic about advancing digital transformation in 2023, our research shows, and that is because of these organisations and individuals who are laser-focused on technology innovation."
