This DBA program is of particular interest to mid- and senior-level managers who desire high level education in the theoretical and practical aspects of operating a business. It focuses on how business is conducted in the United States but is open to international students that would benefit from a better understanding of U.S. business operations. Though leadership skills are subject to cultural differences, the fundamentals apply to the global marketplace for business managers who wish to emulate the successful U.S. business models. Students will gain knowledge in important areas such as:

- Organizational Design
- Business Law
- Global Economy
- Negotiations & Dispute Settlement

Applicants may choose between [Independent Study and Directed Study formats](#). Students who enroll in the Directed Study format may also apply for federal financial aid to cover the cost of their program (based on eligibility). Interest free installment plans are also available to help with the cost of tuition.

Classes start January 3, 2023 - apply now or request more information by clicking [HERE](#).
