

PRS Pharmacy Services and Advasur announce newly created partnership with the Federation of Pharmacy Networks (FPN)

PRS and Advasur will make available their industry leading comprehensive DSCSA Compliance Services to all of FPN member pharmacies.

LATROBE, PA, UNITED STATES,

December 14, 2022 /

EINPresswire.com/ -- PRS, Inc.

(PRSRx.com), nationally recognized Pharmacy Compliance experts, and

Advasur, LLC® (Advasur.com), the leading Dispenser Drug Supply Chain Security Act (DSCSA) Compliance Service provider, announce their newly created partnership with the Federation of Pharmacy Networks. PRS and Advasur will make available their industry leading comprehensive DSCSA Compliance Services to all of FPN member pharmacies.

“

By implementing the comprehensive DSCSA Compliance Services provided by PRS and Advasur, FPN members can focus their efforts on other key aspects of their business knowing they are DSCSA compliant.”

*Carol Carlson, CEO,
Federation of Pharmacy
Networks*

“With the current and future DSCSA regulatory mandates, it is important to have the necessary tools in place to protect our members Pharmacies” stated Carol Carlson, CEO, Federation of Pharmacy Networks. She went on to say, “With this agreement we are very pleased to provide our members nationwide with the benefits of PRS and Advasur’s comprehensive, high-quality DSCSA Compliance Services.”

The DSCSA mandates outline multiple phased requirements for manufacturers, wholesalers, repackagers and Pharmacies, who are considered supply chain Authorized Trading Partners (ATPs). All ATPs must be compliant with these mandates for current and upcoming

regulations.

Harry Lattanzio, RPh, President of PRS stated "PRS and Advasur understand the needs of

independent pharmacy owners and appreciate the important role they play. By partnering with FPN, we can support the membership through the most comprehensive, time efficient DSCSA Compliance Services on the market. In addition to our nationally recognized quality and service, FPN members can also take advantage of our outstanding customer service and DSCSA employee training courses.” He went on to say “Most pharmacists don’t realize their wholesalers can’t do this for them.”

“We launched the Advasur 360® Program to Pharmacies in 2015 and currently have over 5,000 Pharmacies actively using our DSCSA Compliance Services on a daily basis with a 100% success rate passing audits and inspections,” stated Randy Hoggle, RPh, Managing Director at Advasur. He went on to state, “the FDA used the Advasur 360® Program to conduct the two small dispenser studies mandated by the Act to ensure the small dispensers could comply. The studies also demonstrated it took ten minutes per week with our Programs to document compliance. Thus, the Program easily pays for itself in staff time saved.”
