EINPresswire.com/ -- Karen Carlson, the author shares her true life story in her book entitled; "My Risky Romance in Turkey." Karen loves to travel overseas. For a traveler like her, it is yet to be expected for her to try new experiences, immerse in different cultures and most especially, meet new people along the way.

My Risky Romance in Turkey

The story begins with Karen's first heartbreak, the end of her marriage with Dick. As time passed by, Karen, later on, met Cap. Wanting to escape the cold weather in the states, the couple flew to Greece and eventually to Turkey. Thinking it was a blissful journey for both of them, an unexpected turn of events led the relationship to fall apart. It was a risk for Karen but she knew it was the right thing to do. Not wanting to come home to the states just yet, Karen found solace in Turkey which eventually led her to Suleyman, a married Turkish man.

"A fantastic memoir!" says Phil Bolos, an Amazon customer. He recommends the book as it covers Karen's journey as she goes from being in love to being out of love, to being in a world that she is struggling to understand.
