About Dato' Sri Dr Shamir Kumar Nandy

Dato' Sri Dr Shamir is an avid philanthropist, instilled with a strong love for his community and country by his parents from a young age. For decades, he had anonymously helped and donated

substantially to orphanages, disease-stricken individuals, charities and hospitals. Some of the contributions include donating medical equipment such as respirators and endoscopic machines to a public hospital and personally underwriting the cost of medical treatment for several hundred less fortunate members of society, including those undergoing expensive chemotherapy treatments.

The recent Covid-19 pandemic, caused economic and social difficulties among many Malaysians who struggled to put food on the table for their families. This dire situation triggered the 'Bendera Putih' (White Flag) movement as a signal to ask for food and grocery donations.
