

# The 2022 TITAN Women In Business Awards Announces Full Results of its Inaugural Competition

*In a proficient manner, the 2022 TITAN Women In Business Awards has officially concluded the first ever competitive season.*

NEW YORK, NY, UNITED STATES,  
December 16, 2022 /

EINPresswire.com/ -- In a proficient manner, the 2022 [TITAN Women In Business Awards](#) has officially

concluded the first ever competitive season. Even as a newly established program, the award has managed to receive a fully comprehensive amount of entries, across esteemed nations worldwide, which includes United States, United Kingdom, New Zealand, United Arab Emirates, Canada, China, and many others.

2022 TITAN Women In Business Awards Winners  
Announced

“

As we progress forward beyond the business industry, I am exultant to be in the presence of extraordinary symbols that has displayed sheer excellence.”

*Thomas Brandt, Spokesperson  
of IAA*

The TITAN Women In Business Awards, organized by the International Awards Associate (IAA), majorly recognizes and honors outstanding accomplishments incorporating international female entrepreneurs, executives, female-led departments/teams, SMEs, and large organizations alike. Amongst all these spectacular submissions, the competition continues to maintain impartiality and equality throughout the evaluation process, ensuring that each crowned TITAN is of the highest quality.

“As we progress forward beyond the business industry, I am exultant to be in the presence of extraordinary symbols that has displayed sheer excellence,” said Thomas Brandt, the spokesperson of IAA. “We have only tapped the surface of this vast community, and alongside our grand juries, we strive to uncover these possibilities going into the future.”

## Grand Jury Panel

The TITAN Awards distinguishes itself through a panel of jurors that comprises only the most professional individuals from diverse countries, certifying the just procedures as well as unbiased assessments during their pursuance of commendable submissions. The structured panel consists of astounding experts like Maria Afroditi Patsi (Greece), Krithika Chandramouli (United States), Belinda Jane Dolan (Australia), Angelique Hamilton (United States), Liliana Farinha (Portugal), and Elizabeth Arroyave (Costa Rica), to name a few.

2023 TITAN Women In Business Awards Call For Entries

Under strict guidelines, the TITAN Women In Business Awards implements blind judging, elevating the benchmarks of each and every entry to the highest extent, ultimately precipitating the business sector forward.

## [Category Winners of the Year](#) and Notable Business Professionals

As the results were published to the eyes of the public, only a few submissions that were the most exceptional were handpicked from the vast number of entries in the awards, and were awarded as the “Category Winners of the Year”. These titles were authentications of the highest-scoring entries selected from their respective categories, proving that they had integrated unique perceptions and brilliance that sets them apart from their peers. Those who hold the greatest achievements are:

1. [Female Entrepreneur of the Year](#) - Hanna Bem, CMO of Moliving & Head of The Moliving Collection of Moliving
2. Female Executive of the Year - Dara Busch of 5WPR
3. Human Resources Team of the Year - CertiK HR Engagement Strategy by CertiK
4. Creative Service Team of the Year – You win with Yahoo Mail by Yahoo

Moving past the Category Winners, acclaimed entities have also presented their prominent works towards their global audience, and include renowned names like: Kelly Roach Coaching, Cymbiotika LLC, ASCIRA Global, Robots & Pencils, FinancialForce UK, REDI Cincinnati, BetterCloud, and many others.

“Welcoming fresh generations and respecting long-established business operations, there is always unmarked territory for innovative notions,” remarked Thomas. “Judging from the submissions of just the first season, I foresee more giants rising to pick up the TITAN mantle, while slowly changing the world according to their own consciousness.”
