

# SystemDomain has partnered with SecureAuth, a leading provider of next-gen passwordless, continuous authentication

CHICAGO, IL, USA, December 19, 2022

/EINPresswire.com/ -- [SystemDomain](#),

Inc, a leading global information technology, consulting services company, today announced that it has signed a strategic partnership with [SecureAuth](#), a leader in access management and authentication.

SecureAuth's Arculix solution enables the most secure and passwordless, continuous authentication experience for employees, partners, and customers. Deployed in cloud, on-premises, or in hybrid environments, Arculix manages and protects access to applications, systems, and data at scale, anywhere in the world.

"SystemDomain now offers its customers a complete solution to make the enterprise more secure and protect business-critical data and applications by providing industry leading most secure and state-of-art authentication solution," said Shubhi Garg, CEO, SystemDomain, Inc. "This will enhance SystemDomain's product portfolio in our Cyber Security business unit".

"The partnership between SystemDomain and SecureAuth will assure that enterprise customers will have access to the best advanced authentication solution with the right services expertise," said Mandeep Khera, Chief Marketing Officer at SecureAuth. "SecureAuth will leverage SystemDomain's client portfolio and leading IT professional services capability in Cyber Security and Risk Management to implement and integrate its portfolio of products in cloud and on-prem across various industry segments. This partnership will open new marketing channels and help to increase the growing market share in the authentication segment ."

SystemDomain had been ranked as:

- The Fast 50" by NMSDC 2022
- Top 20 Most promising Cyber Security Solution Provider 2017' by "Silicon India"
- OMNIKAL's OMNI500 Top Businesses for 2017.
- Gold Award as fastest growing Cyber Security Firm: Cyber Security Excellence Award
