WHITEFISH, MONTANA, USA, December 16, 2022

/EINPresswire.com/ -- [Skye Yayoi Drynan](#) opened the inaugural [House of Skye™](#) flagship store and atelier in her hometown of Whitefish, Montana on Friday, December 9th, 2022. The location of the store holds significant meaning to Drynan because the location of the store was also the site of her father, Craig Drynan's, store 'Crystal Winters' which he operated since 1979. "The location is particularly special to me because I grew up working side-by-side here with my dad from the time I was a little girl until I went off to college. My dad sold his original stained-glass art here and now I'm blessed to share my wearable art directly with consumers in the same place. I feel like growing up in this store is where my entrepreneurial spirit was born," stated Skye. House of Skye™ is a solutions-based lifestyle brand that blends patented technology with fit, function & star-studded style. The three House of Skye™ lines are Bareback™ (innovative intimates), Dulce Bestia™ (artisanal clothing), and Snow Beast™ (outdoor wear and gear). "Opening my first brick-and-mortar store here in Whitefish feels like I am finally coming home, and where every day smells like Christmas," says Skye.
