

The 2022-2023 Space Art Poster Design Competition

*DESIGN SUBMISSION DEADLINE EXTENDED TO
February 24, 2023*

BRADENTON, FL, UNITED STATES, December 16, 2022 /EINPresswire.com/ -- Great news! We have extended the [poster](#) design competition submission to February 24, 2023. If you have already submitted your design, please feel free to make edits to your submission between now and then. If you have not yet submitted, please be sure to finalize your designs and resubmit by Friday, February 24 (11:39 PM EST).

The 2022-2023 [Space Art Poster Design Competition](#) is inviting members of the community, friends, students, space advocates, and the general public from around the world to submit a design for consideration as part of its Annual Space Art Poster Competition! We welcome your creativity and artistic promotion, to help support the goals of STEAM (science, technology, arts, engineering & mathematics) education and encouraging the development of future generations of explorers, researchers, scientists, entrepreneurs and innovators in the space sector. Come build with us, dream the future of humanity in space.

CALLING ALL ARTISTS, SPACE ARTISTS, EXPLORERS, RESEARCHERS, SCIENTISTS & SPACE ARCHITECTS: You are invited to submit a poster design to one of four categories.

Annual Space Art Poster Competition Categories:

- Next Frontiers: Enabling future cities in space
- Living In Space: The human family thriving in space
