[/EINPresswire.com/](https://EINPresswire.com/) -- It's everybody's favorite time of the year and as 2022 comes to a gratifying close, the world again almost unwittingly churns out holiday banger after banger, as if on cue.

Hailing from no less than New York City, is an amazingly talented group called, "[The Rhythm Hitters](#)", fronted by lead vocalist Adrienne Mack-Davis, who has recently wrapped up a tour in Asia, and joined by old friends and equally brilliant musicians, Benny, and David. The group has reconnected after 25 years, through mutual old friend and fellow group member, Domingo Cañate, who firmly believed in their creative talents through the decades, and decided it was time to make music together again.

With their new song "[A Wish for the Holidays](#)", The Rhythm Hitters have set the stage for modern Christmas music that can make any listener feel a sense of belonging to something bigger than themselves. It's a reminder to take a pause and appreciate the highly immersive experience that is life. Their undeniable musical prowess is highly evident in their single "[Love Takes Me - Radio Edit](#)" out on Spotify.
