Audience roars for State Ballet Theatre of Ukraine @ NJPAC on 12/18/22.

NEWARK, NEW JERSEY, UNITED STATES, December 19, 2022 /

EINPresswire.com/ -- The performance of The Nutcracker was accomplished and thrilling on many levels.

Ukraine Ballet added elements of T.A. Hoffman's short story that were unexpected, enlightening and sardonic at NJPAC.

NJPAC was near capacity and the audience approval mounted over the course of the ballet to a roar of approval for our shared journey to honor Ukraine as well.

Subtextually, the war was felt when the dancers interpolated some elements of virtuoso Ukranian folk-dance in the Ballroom sequence

Lovely touch which the audience appreciated too. Society, history and art me face to face. BRAVO a tutti !!!

Thank you for sharing your thoughts with The New York Times community. DPQuinn | New Jersey 4/6/22

All we have is today, and THEIR horror is NOW.
