

# F3 Logistics Expands with Pentagon 2000 Software

*Providing Years of Experienced Contracting for DoD & Industry Clients*

NEW YORK, NY, UNITED STATES,  
December 20, 2022 /

EINPresswire.com/ -- F3 Logistics LLC has implemented Pentagon 2000SQL™ to expand operations with support for procurement and logistics services to the US Air Force and other industry customers.

F3 Logistics was recently awarded a Third Party Equipment Purchasing (3PEP) Small Business contract to improve warfighter support, maintain or lower costs for the government, ensure continued utilization/increase of small business manufacturers, and maintain clear government program visibility.

“

Pentagon 2000 has been a leading supplier of fully integrated enterprise software systems, for over 30 years we've set the industry standard in fully integrated ERP systems.”

*Pentagon 2000*

Parrish Swearingen, President of F3 Logistics commented that “our business operations continue to grow, and the Pentagon 2000SQL™ system has allowed us to automate our procedures while we scale up our internal operations and customer service”.

About F3 Logistics, LLC([www.f3now.com](http://www.f3now.com)) F3 Logistics is a limited liability company located in Warner Robins, GA, established December 13, 2013. We provide a high level of professional logistics and warehousing services predominantly for government clients.
