On December 19, 2022 the KAILASA Om Awards Ceremony was held on the most auspicious celebration of the cosmic celebration of the advent of The SPH.

LOS ANGELES, CA, USA, December 20, 2022 /EINPresswire.com/ -- With the grace and blessings of The Supreme Pontiff of Hinduism (SPH) Nithyananda Paramashivam, SHRIKAILASA's Department of Religion and Worship and the SHRIKAILASA Uniting Nations (SKUN) for Global Peace and Religious Harmony hosted the Virtual Global Peace Conclave and the KAILASA® Om Award Ceremony on the auspicious occasion of The SPH's 46th Avatara Dino-Utsava 2023.

December 19th, 2022 marks the 46th advent of The SPH Nithyananda Paramashivam in the holy town of Tiruvannamalai, in Southern India, a celebration observed by millions of Hindus across the world.

In His Live Presidential Address during the KAILASA® Om Awards ceremony, The SPH declared the mission of making the Hindu nation, SHRIKAILASA, as successfully accomplished. SHRIKAILASA is the borderless, civilizational Hindu nation with active, working, contributing, legitimate organizations in more than 140 countries offering charitable activities, social and spiritual services to bring a superconscious breakthrough to humanity.

Since 1994, The SPH has worked tirelessly and intensely to build SHRIKAILASA. His hard work has resulted in a number of accomplishments including, but not limited to:

Serving more than 1 billion free meals globally, with 10,000 meals served daily worldwide and

100,000 on festival days.

The largest Hindu library, Nithyananda Hindu Jnanalaya, collecting and preserving 1 million source books of Hinduism while ensuring that knowledge is made accessible and shared free of cost to all.

Multiple Guinness records in yoga and more than 13 Asia and India book of records including the largest number of books authored by a single author at 1,123 books; with those books translated and published as more than 3,000 titles in many other languages.

Forming SHRIKAILSA based on the Hindu constitution and Hindu Jurisprudence originating from the Vedas and Agamas, the source books of Hinduism.

Establishing the Hindu economy including SHRIKAILASA currency and 32 banks.

The SPH acknowledged the many Sanyasis (monks and nuns), devotees, disciples and supporters who have given their time, treasure and talent to help make SHRIKAILASA what it is today. In particular, The SPH recognized the contributions of Ms. Payal Shashank Rohatgi for her dedication and sacrifice. Ms. Rohatgi faced persecution for unabashedly and unapologetically supporting SHRIKAILSA and The SPH and for her Hindu spiritual social activism.

As the largest cluster of UN recognized Hindu organizations in the world, SHRIKAILASA will continue to add more services to more countries, to more human beings by establishing diplomatic relations with other countries in order to be of service to humanity and bring about a superconscious breakthrough.
