

# Sayers Achieves a Solutions Partner For Infrastructure (Azure) Designation From Microsoft

*Sayers is honored to be one of the first companies chosen by Microsoft for this designation.*

VERNON HILLS, IL, UNITED STATES, December 21, 2022 /EINPresswire.com/ -- Vernon Hills, IL: Personalized IT solutions company, [Sayers](#), is pleased to announce that they've received a Solutions Partner for Infrastructure (Azure) Designation from Microsoft. Sayers is one of the first companies to attain this designation. A [Solutions Partner designation](#) shows a company's broad technical capabilities in high-demand Microsoft Cloud solution areas.

The Solutions Partner designation demonstrates a company's experience, technical abilities, and skills in delivering excellent customer outcomes in specific areas, like Azure. Sayers is looking forward to helping more customers with their [Azure infrastructure](#) needs. They are also excited to be able to differentiate their organization with customers and their new designation.

Nicole Dezen, Chief Partner Officer and Corporate Vice President of Global Partner Solutions at Microsoft, said, "I believe in empowering people and driving growth. What that means for you is that we want to empower your organization with capabilities, resources, and industry depth to serve customers best. And we will invest in your profitability and growth. This is what partnership means to me. So, thank you for your commitment and for the investment you're making in our partnership and in delivering customer success."
