

Thomas Baskind Rides with 'Cycle To The Sea Fundraiser' for 2023

Thomas Baskind to participate in the 2023 Cycle to The Sea fundraiser for the Adaptive Sports & Adventures Program for physically challenged individuals.

NEW YORK, NY, US, December 21, 2022 /EINPresswire.com/ -- [Tom Baskind](#), who started attending the fundraiser in 2013, along with Brian Muscarella, will be returning to Myrtle Beach in October 2023 to complete the Cycle to the Sea fundraiser for Tom's tenth year of participation.

Baskind started participating in this fundraiser because of his close friendship with Brian Muscarella, who was paralyzed by a tragic spinal stroke.

"I'm very proud to support Brian Muscarella in the Cycle to the Sea even. He is a true inspiration to many of us. Showing what people are capable of doing. I am honored to help the cause for my tenth time." — Thomas Baskind

Following this unfortunate event, Muscarella's life was drastically changed. He would not accept the label of a permanent disability to define his future. He devoted his energy to attaining something positive. He was also inspired to join a 180-mile Cycle to the Sea event, which, in turn has positively impacted Thomas.
