Pramoxine market is expected to gain market growth in the forecast period of 2022-2029. Data Bridge Market Research analyses the market to account to grow at a CAGR of 6% in the above mentioned forecast period.

Pramoxine belongs to the class of drugs known as topical anesthetics. It works by preventing pain signals from being sent by nerves. This medication is used to treat poison ivy, bug bites, poison oak, and poison sumac, minor cuts, scrapes, and burns, minor skin irritation, and dry, itchy skin. It can also be used to relieve the discomfort, burning, itching, and pain associated with haemorrhoids and other minor rectal irritations or itching. Pramoxine is applied to the skin as a gel or a spray. Pramoxine is also available as a cream, foam, lotion, or solution (liquid) for rectal use.

The rise in the prevalence of pruritus and haemorrhoids will act as major driver that will results in the expansion of market's growth. Another significant factor influencing the growth rate of pramoxine market is the rising healthcare expenditure. Furthermore, advancement in the

medical technology, rising initiatives by public and private organisations to spread awareness and growing government funding are the factors that will expand the pramoxine market. Other factors such as increase in the demand for effective therapies and rising geriatric population will positively impact the pramoxine market's growth rate. Additionally, high disposable income and changing lifestyle will result in the expansion of pramoxine market. Growing incidences of minor cuts, skin irritation, insect bites, burns and others will increase the demand for pramoxine and hence further drive the market's growth rate.

About Data Bridge Market Research, Private Ltd

Data Bridge Market Research Pvt Ltd is a multinational management consulting firm with offices in India and Canada. As an innovative and neoteric market analysis and advisory company with unmatched durability levels and advanced approaches. We are committed to uncovering the best consumer prospects and fostering useful knowledge for your company to succeed in the market.

Data Bridge Market Research is a result of sheer wisdom and practice that was conceived and built-in Pune in the year 2015. The company came into existence from the healthcare department with far fewer employees intending to cover the whole market while providing the best class analysis. Later, the company widened its departments, as well as expanded its reach by opening a new office in the Gurugram location in the year 2018, where a team of highly qualified personnel joins hands for the growth of the company. "Even in the tough times of COVID-19 where the Virus slowed down everything around the world, the dedicated team of

Data Bridge Market Research worked round the clock to provide quality and support to our client base, which also tells about the excellence in our sleeve.”
