Douglas Berry

Cars, California's top-rated classic car buyer at <https://dustycars.com/>, is proud to announce important ambitious content updates to its website. Persons who own classic vehicles and are searching for the best classic car buyer in California will be overjoyed at the new content.

"We are known as one of the best, if not the best, buyers of classic cars in California," explained Douglas Berry, founder of Dusty Cars. They need to check out our newly updated website."

Interested persons can view the newly updated content as follows. First and foremost, they can access the "Classic [Porsche](https://dustycars.com/makes/porsche/)" page at <https://dustycars.com/makes/porsche/>. Porsches, and especially the iconic Porsche 911, are among the most offered cars for sale to Dusty Cars. The company makes quite a few cash offers on classic Porsches. Second, there is a lot of new content around "Classic [Mercedes](https://dustycars.com/makes/mercedes/)" (<https://dustycars.com/makes/mercedes/>), which are again a very popular classic car for which persons seek classic Mercedes buyers in California, from Los Angeles to San Francisco. And third there is a robust content area on classic Jaguars at <https://dustycars.com/makes/jaguar/>. Not all Jaguars are desired, however, so any Jaguar owner is strongly encouraged to reach out for an evaluation and conversation before a cash offer is made.

SELLING A CLASSIC CAR IN CALIFORNIA OR ONLINE

Here is background on this release. California has multiple reasons why it is ground zero for the buying and selling of classic vehicles. First there is the sheer population size of the Golden State. Second there is its magnificent and easy weather, which protects cars against aging. And third

there is the iconic and classic California car culture. The newly updated web content helps not just Californians but persons across America who are looking to sell classic vehicles a literal "road map" to finding the best price, fairest offer, and easiest cash for classic cars in California and online.
