## FINDING SHORT-TERM HOUSING IN PASADENA AND ENVIRONS

Here is background on this release. Finding short term housing in SoCal is difficult on a "bad" day, meaning those rare days when the weather is too hot or too cold, too moist or too dry. Most of the time the weather is perfect. It's finding affordable corporate housing that's actually available that's really tricky. Interested searchers are encouraged to visit the "Pasadena housing" page at <https://www.keyhousing.com/corporate-housing-city/pasadena/>, or the greater Los Angeles page at <https://www.keyhousing.com/corporate-housing-area/greater-los-angeles/>. In all cases, the best next step is to reach out to a leasing consultant for short term options by calling 800-989-0410.
