Shoppers can score a whopping 75% OFF software bundle and a 62% OFF lifetime license of DearMob iPhone Manager v6.1 with our Christmas offer.”

Angie Tane

"This holiday season is all about family get together and memory-making. Before long, our iPhone will be stacked with sweet photos and family videos. It is always a good

practice to back up iPhone and take good care of these precious media assets." said Angie Tane, Marketing Manager of DearMob, a branch of Digiarty Software, Inc.

DearMob iPhone Manager is designed to ease the process of iPhone backup, music, video, and

[photo transfer](#), and 1-click data migration to a new device. It is safe, easy, and fast to use. With the built-in ringtone makers, people can set their favorite songs as custom Christmas ringtones.

"In the spirit of giving back during the Christmas season, we would love to deliver an extra dose of sweet offerings." Angie Tane added, "The free version of DearMob already grants every user with 100 credits to perform iPhone management tasks for free, such as device backup, photo transfer, and app data restore. Now with the Christmas offer, avid users can take this massive saving chance to upgrade to the lifetime license with full features."

1. DearMob iPhone Manager as a Worry-free Solution for iPhone Owners

Fully featured with data transfer, backup, restore, and management utilities, DearMob iPhone Manager brings peace of mind to iPhone, iPad, and iPod touch users.

- Prevent data loss: It helps users to fully back up iPhones, selectively back up each media type, photos, videos, songs, contact cards, text messages, PDFs, ebooks, Whatsapp data, etc.
- Free up iPhone storage space: Selectively exporting iPhone content to Windows and Mac computers is easy and flexible.
- Better organizing photos: Separating screenshots, selfies, live photos, and custom photo albums, transferring ProRaw, HEIC, DNG, and HDR photos at original quality, and exporting by folders, types, or date, all made easy.
- Handy built-in tools: DearMob iPhone Manager has a ringtone maker, a duplicate contact merger, an HEIC to JPG converter, and a file encrypter baked in, and still stays lightweight.
