

Highlights from the Construction Links Network platform this week - December 22, 2022

Canada's ONLY content sharing platform for the construction, building and design community

SUNDRE, ALBERTA, CANADA,
December 22, 2022 /
EINPresswire.com/ -- Construction Links Network is a [unique news platform](#) where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more. Members use this platform to share and onboard their digital content on the Internet, through social media and our popular e-Newsletters. Ideal for product / service releases, company announcements, blogs, podcasts, webinars, case studies, [videos](#) and more.

After a busy year, I am truly grateful for owning this business and wish all my members, advertisers, subscribers and industry partners a happy holiday season. Hope you can take some time to reflect on the good things in life and spend the season with friends and family.

More content shares from members include:

- tcgpr - Lakeshore Pointe Condominium launched by Lu Vesta Homes
- Kryton International - Freeze-Thaw Resistance is Key to Resilient Road Infrastructure
