

Equator Releases Multi Award-Winning Stackable Washer-Dryer Sets in Canada

Created as the ultimate space and time savers, both model combos were instant best-sellers in the U.S.

HOUSTON, TEXAS, UNITED STATES OF AMERICA, December 22, 2022 /EINPresswire.com/ -- Equator Advanced Appliances has just launched two of its best-selling [washer-dryer stackable set](#) to customers in Canada: the EW 835 Super [Washer](#) + ED 860 Compact Standard Dryer set and the EW 835 Super Washer + ED 852 Compact Short Dryer set. Stackable and designed with premium features that are aimed to save time, both of these sets have already gained immense popularity in the States.

“We anticipate the release of the EW 835/ED 860 and EW 835/ED 852

washer-dryer combos to be just as popular in Canada as it has been in the U.S.,” said Nick Mathews of Equator Advanced Appliances. “Both sets deliver unique time and space saving advantages that are extremely valuable to our customers.”

The EW 835 Super Washer that is common to both sets has won numerous awards since its release. Included in its long list of accolades are the ADEX Design Excellence Award, the Global Innovation Awards for Product Design Excellence, the Tiny House Design Best Premium Washer award, and the TechHome Brilliance Award. In addition to being a space and time saver, this top-tier washer boasts a long list of innovative features. Top features include 16 separate wash programs (such as Sanitize, Winterize, Quiet, Allergen, ECO, and Quick 20), touch buttons, a color coded LED display, anti-bacterial drum baffles, and foam control. It measures 33.5 x 23.5 x 24.8 (HxWxD in inches), and has a total capacity of 1.9 cubic feet.
