

Get into the Holiday spirit with Keymailer's Christmas Stream Pack

BRISTOL, SOMERSET, UNITED KINGDOM, December 23, 2022

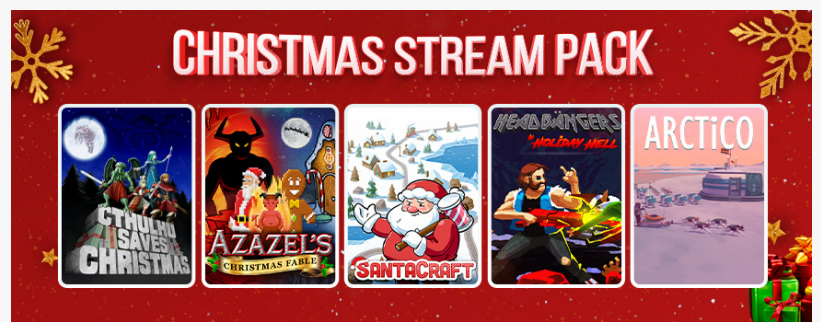

/EINPresswire.com/ -- The holidays are upon us, and Keymailer's Stream Pack makes it easy for creators to celebrate with their audiences!

Stream five different games about Christmas and get way more into the spirit than you would otherwise! Even if your audience isn't that into Christmas, don't worry: these games are really different, and guarantee entertainment!

The [Christmas Stream Pack](#) includes the games Santacraft, Cthulhu Saves Christmas, Arctico, Azazel's Christmas Fable and Headbangers in Holiday Hell.

You'll get to rescue Santa's reindeer from the Abdominal (not a typo!) Snowman, help Cthulhu regain his powers by saving Santa himself, soothe yourself with beautiful Artico graphics while exploring with your dog sledge team, kayak, and parachute, and destroy the North Pole source of joy as Azazel (a devilish imp from the underworld!) and battle Santa and his elves for being a non-Christmas enthusiast!

Fun options for all tastes and mindsets, interested influencers must request their access to Christmas Stream Pack [here](#), and produce content about at least one game.
