”

Patriot's Promise Founder and President, John Baskin

“This generous donation will make an important difference to the well-being of our Veterans” shares Patriot's Promise Founder and President, John Baskin. “We are grateful and honored to receive this award from Vezbi's Project Seva. It will help to maintain our ongoing support.”

“Concerned citizens, both Veterans and Civilians, have come together to focus on the serious issues of homeless Veterans and those in need, both physically & mentally.

Thanks to Vezbi's Project Seva, Patriot's Promise will connect in real time with this community and bring further awareness. The mission statement Patriot's Promise abides by is: Streets are for Cars, not Veterans,” says Danielle Mariano, Patriot's Promise, Vice President.

Vezbi Super App founder, Henry Jan, initiated Project Seva as a way to channel funds toward 100 deserving non-profits nationwide. As the nation's foremost algorithm-free Super App, Vezbi maintains an ongoing mission of supporting non-profits in making lasting community impact through the power of public industry. Project Seva is one way that the company - which eschews user anonymity and resists the marketplace norm of data selling - seeks to remain focused on the greater good.

"I am so grateful for all Veterans who have served our country, they should be celebrated and supported. On behalf of Vezbi, we are proud to support the amazing work of Patriot's Promise, led by Veteran John Baskin," states Henry Jan.
