

Introducing the New Fortress Power All in One Solution

Homeowners can have a whole home backup system. It allows customers flexibility based on their needs and budget.

LANGHORNE, PENNSYLVANIA , UNITED STATES, December 23, 2022

/EINPresswire.com/ -- Fortress Power announces a new integrated energy storage solution. Consisting of 4 eFlex batteries and a Hybrid 12K or 15k inverter, the new [all-in-one solution](#) offers peak shaving for demand charge management, load shifting for time-of-use savings, and standalone operation in an off-grid mode for power backup as well as storage of excess solar energy.

The graphic features two white Fortress Power energy storage units against a background of solar panels. The text reads: 'INTRODUCING THE NEW FORTRESS POWER ALL-IN-ONE SOLUTION'. Below this, a list of features is provided: '• 12K or 15K Inverter', '• IP65 water & dust proof for outdoor installation', '• Flexible expansion in both inverter & battery', '• Easy installation', and '• Safe for cold & hot climates'. The Fortress Power logo is in the top right corner, and the text 'All in One Solution' is at the bottom.

This new all-in-one solution is IP65 water and dustproof for indoor and outdoor installations.

ENERGY YOU CAN DEPEND ON!

Smart, Clean Storage for Renewable Energy Sources"

Fortress Power

Included are active cooling fans for hot climates and an easy-to-add din rail thermostat for cold climates. The built-in busbars and cables help make installations 45min or less. With a built-in 200A grid passthrough, customers can have a [whole home backup](#) system. Furthermore, it allows customers the flexibility to size up inverter and battery capacity based on their needs and budget. In 2023 we will be releasing a High Voltage ESS, a smart, whole-home

backup solution for energy storage, monitoring, and controls.

So If you're looking for:

The Safest - UL 9540 certified and meets the UL 9540 (A) large fire test standard. The safest chemistry is Lithium Iron Phosphate.

The [Most Power](#) – up to 370kwh

Best Warranty – 10 years/ 8000 cycles
