MapR Technologies CTO & Executive Vice President

President, Forbes Technology Council.

When interviewed, Schindler comments with emphasis: “I wish to acknowledge publicly with deep gratitude the encouragement of H.R.H The Princess Royal (Princess Anne), who held a private reception and dinner in my honor in November 2016 at St James Palace. She then stated her generous words ‘to encourage you’ when I asked her why she organized the event. And in 2017 she organized another special event at Marlborough House for leaders of the British Commonwealth and included me as her special guest.”

Selfless devotion to the future of a better world is the essence of nobility.
