Fortified water is a type of beverage that contains extra nutrients and flavours like vitamins, minerals, and natural or artificial flavours. In general, fortified water contains less sugar than soda or any other soft drink of the same size, and depending on the type of beverage, it also provides minerals or vitamins to the user.

#### Recent Development

- December 2020 - The most recent seasoned carbonated sweet Rhubarb and Raspberry Tonic Water has been added to Fever-extensive Tree's range. The drink is made with tart 'Timperley Early' rhubarb from a Norfolk ranch and rich raspberries from Scotland's Strathmore valley. The seasoned water contains naturally inferred fixings and contains no fake sugar.
- July 2020 - Phocus has released its most recent Cola seasoned water, which expands the company's current offering of Grapefruit, Peach, Yuzu and Lime, Blood Orange, Natural, and Cucumber.

## Key questions answered in the report:

- What is the complete insights into current industry trends, growth drivers, trend forecast about Fortified Water Market dynamics?
- Which product segment will grab a Fortified Water Market share with the latest analysis of

market share, challenges growth drivers, and investment opportunities?

- Which segment's market dynamics and trends have been mentioned across application and geographical areas?
- Which regional market will emerge as a frontrunner in coming years?
- Which market Segmentation up to the second & third level regional bifurcation?
- What are the growth opportunities that may emerge in Fortified Water Market industry in the years to come?
- What are the key challenges with respect to both value (Revenue) and volume (Production & Consumption)?
- Which are the profiles of the market shares and strategies of key players?
- Which are the objective assessment of the trajectory of the Fortified Water Market?
- Which are the growth strategies considered by the players to sustain hold in the global Fortified Water Market?
- What are extensive research information on major drivers and current trends within the industry?
