

mycloud Hospitality Announces Big Discounts: Welcomes New Year with Exciting Offers

Get your hotel up and running with mycloud PMS at zero cost! Sign up now & receive the first month free, as well as a 30% discount on your annual subscription.

NEW YORK, UNITED STATES, December 27, 2022 /EINPresswire.com/ -- mycloud Hospitality, the leading provider of [property management systems for hotels](#), is excited to

announce a special end-of-the-year offer. For a limited time, they are offering zero setup and training costs, as well as the first month free. Not only that, but hotel owners can also take advantage of a limited-time offer of 30% off on annual subscriptions, saving them even more on the cost of managing their properties. Based on a calculation of 50 rooms and a two-year annual subscription, hotels can save a total of \$7780 with this offer.

“

We understand that managing a hotel can be a complex and time-consuming task. That's why we're offering this special offer to help hotels streamline their operations and save on costs.”

Deepak Chauhan

As a leading name in the hospitality industry, mycloud Hospitality offers an end-to-end [hotel management system](#) that combines a POS system, property management software, and back office functionality into a single platform with a lot to offer.

"We are thrilled to offer this special offer to hotels looking to improve their operations," said Deepak Chauhan, Vice

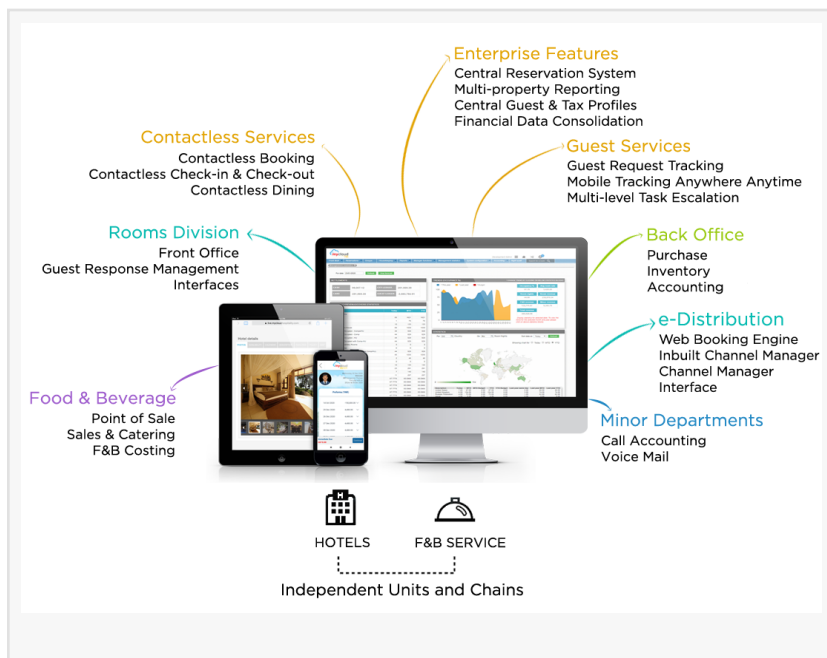

President of Cloud Services at mycloud. "We understand that managing a hotel can be a complex and time-consuming task. That's why we're offering this special offer to help hotels streamline their operations and save on the cost of managing their property. We believe our solution can help hotels run more efficiently and profitably, and we're excited to see the results."

The award-winning and feature-rich mycloud PMS provides a comprehensive and cost-effective way for hotels to manage all aspects of their property, including reservations, contactless guest

check-in/check-out, hotel app, room assignments, revenue management, guest management, housekeeping, inventory, reporting, and more.
