livelihoods, and supporting causes and communities to thrive.

“Future event professionals need skills and the knowledge that will help them address the increasing challenges and threats of confronting event industry globally and it is for this reason, that I believe the program is right for me and excited to have been accepted,” said Owner/Lead Creative Designer of Glodi Glam Designs LLC. “In Ghana, West Africa, where I come from, the elders have a saying that “going slowly does not stop one from arriving” I am therefore hopeful that starting my master’s degree as a part-time student will not stop me from completing the program within reasonable time while still working full time at my present job and also taking care of my young family.”

Glodi Glam Designs LLC Backdrop

The MS in Event Management (MSEM), of the school of Professional Studies of New York University, is one of the first degrees of its kind in the country. Its cutting-edge curriculum, focused on the skills event managers need in this fast-growing, globally expanding industry, prepares students for event planning and management careers across private, public, and non-profit organizations.

“Congratulations! I am delighted to inform you that you have been accepted for admission to the MS in Event Management program for Spring 2023 at New York University's School of Professional Studies. Your acceptance is in recognition of your outstanding academic and professional accomplishments and our confidence in your ability to succeed at NYU SPS” said Cynthia Pérez, Director of Admissions at, the School of Professional Studies, New York University.

“You are among an extraordinary group of students selected to join this program and can anticipate an outstanding academic experience and unmatched opportunities for professional exploration and discovery. As an NYU SPS student, numerous opportunities await you! An esteemed faculty who are leaders of industry and bring real-world experience to the classroom, talented and diverse classmates from all walks of life with unique perspectives, and a myriad of networking and career opportunities designed to help you become accomplished professionals. These opportunities coupled with the University's expansive resources will enrich your

enrollment and your career.”
