“

Greek Movers have demonstrated true grit, determination and a commitment to customer success to become a successful local moving company. Oncue is thrilled to recognize them as our Mover of the Month.”

Kate DeWald, CEO of Oncue

Owner Peter Kaffen first came up with the idea for Greek Movers in college at the University of Redlands. Starting out first as a cleaning business, Kaffen later shifted focus in 2016 to local moving when he saw the market potential. Using Thumbtack, an app where you can bid on local home services jobs, Kaffen started to go after local moving jobs and the idea for Greek Movers took off. “Since that time,” added Kaffen, “we’ve grown into one of the bigger moving companies in the Inland Empire.”

Greek Movers provides a suite of local moving services, as well as junk removal, packing and wrapping, disassembly

and assembly, pianos, safes, spa moving, auto towing and more. However, it’s Kaffen’s team of movers that distinguishes Greek Movers from its competitors. “We are a young, energetic, fast paced and effective moving company that knows what to do and how to do it smoothly.”

Over the past year, Kaffen has partnered with the team at Oncue to help with many aspects of the company’s operations and billing. “We get real time tracking of all of the hours spent on jobs, so that when clients get an invoice from us, all of the job details are presented in an easy to read,

professional manner.” And, with the support of Oncue’s booking team - industry pros who answer calls, follow up on leads and book jobs - Kaffen is now able to handle any level of business activity, particularly during the busy season. “Following through on potential leads so we never miss an opportunity to bring on a new customer is one of the biggest advantages that Oncue has been able to deliver for us.”

“Peter and the team at Greek Movers have demonstrated true grit, determination and a commitment to customer success to become a successful local moving company. Oncue is proud to support Greek Movers as they grow and thrilled to recognize them as our Mover of the Month,” said Kate DeWald, CEO of Oncue.
