The existing screenplay is mesmerizing and captivating. May it be a book, animated movie or live action, there's definitely more than just one way of telling Charlie's adventures and each of them carry out a different experience. Afterall, Charlie is a blessing beyond the wish. It's all set – just the final ingredient is needed to make it happen. A screenplay, treatment, logline, and synopsis are available to grant Charlie's stories as the vision of a lifetime.

The books received positive responses from renowned book reviews like Hollywood Book Review, Pacific Book Review, Literary Titan, US Review of Books, BookView Review, and The Prairies Book Review. There is a reason why book lovers say yes to it. Five Mile Charlie is a terrific book series, and even greater as a movie.

[Kimberly Adams' Five Mile Charlie](#) will bring great pride in the industries of film, media, and literature when turned into either an animation or a live action movie. If the books bagged praises from several book reviewers, a Five Mile Charlie movie has a high likelihood of getting an academy award as well! It's not one to miss and surely not one to ignore.

A production team who can develop Five Mile Charlie into a motion picture is the one we seek. Be the one who can make the dream come true for worldwide Five Mile Charlie fans.
