"Our company strives for high customer satisfaction, for diversity, cultural awareness and acceptance in the wide variety of topics we publish", states Bell. Bell and his, astounding world of coloring books, as reported by book critic Ron Charles of the Washington Post. (\*1) You will find right next to their Being Gay is Okay book, proudly stands the [Ted Cruz Coloring and Activity Books](#). Bell states the Ted Cruz book is a six figure seller and he wishes the Woke book products would match even 10% of those sales. “

Woke or comedic type books such as Karen, while funny or reflective of national opinion, never come close to trumping the revenues of a Ted Cruz book or any similiar political book.”
