

Bakell® Launches All New Edible Glitter Spray for #1 Food Grade Dusts

Edible Glitter industry leader, Bakell®, introduces convenient 4 gram mini-pump glitter sprays to popular Tinker Dust® and Luster Dust® collections.

SOUTHERN CALIFORNIA, US, December 30, 2022 /EINPresswire.com/ -- Bakell® (www.bakell.com) is turning its best-selling food grade edible glitters into travel-sized, convenient sprays with new 4 gram mini pumps for [Tinker Dust®](#) and [Luster Dust®](#). Celebrated for its edible glitters and premium baking tools, Bakell® is expanding how dedicated customers and partners can create using their favorite products.

Luster Dust Mini Pumps give cake decorators an easy way to apply edible glitter in over 90 colors.

“

Bakell has been overwhelmed by the positive feedback from our Luster Dust and Tinker Dust collections so we wanted to give consumers a new way to create with their favorite products.”

*Heather Adams,
Merchandising Director*

We took our successful formula for top-tier edible glitters and stuffed it into a compact spray pump to maximize convenience and minimize mess. Our new 4 gram edible glitter sprays will let bakers and makers apply our Tinker Dust and Luster Dust Collections with optimal ease. Cake decorating has never been easier!

“Bakell has been overwhelmed by the positive feedback from our Luster Dust and Tinker Dust collections so we wanted to give consumers a new way to create with their favorite products,” Bakell Merchandising Director Heather Adams said. “Now, with the 4 gram mini pumps, we’re excited to see how Bakell can work for our customers around the world.”

After taking the glitter industry by storm with an expansive collection of shimmers specifically crafted for consumption, Bakell® is once again breaking convention by making it easier than ever for cake decorators and dessert designers to adorn any project.

With 90+ colors between Tinker Dust and Luster Dust, Bakell® has given sugar artists everywhere the tools to make the confection creations of their dreams come true. Whether you're looking for the easiest way to apply edible glitter for drinks or need to add a shine with a specific color to bakes, Bakell® continues to deliver kitchen gear people look forward to using.

About Bakell LLC:

Located in Southern California, USA, www.bakell.com is a privately-owned and operated business with a global presence. Bakell® confectionery products and brands are sold directly online via their eCommerce platform at www.bakell.com as well as resold and distributed through an amazing distribution partnership network.
