

MyLand.Earth Metaverse and Sports NFT Fans Celebrate New Year's Eve with FIFA Limited Edition 2023 Presale Release

MyLand.Earth Metaverse will celebrate New Year's Eve with presales release of MyLand.Earth Tiger NFT FIFA Limited Edition and giveaways

SILICON VALLEY, CALIFORNIA, UNITED STATES, December 30, 2022

/EINPresswire.com/ -- Silicon Valley, California December 30, 2022

Myland.Earth Metaverse™, a leader in Earth-based [Metaverse development](#), wildlife conservation and heritage preservation, announces the release of Myland.Earth Tiger Land FIFA Limited Edition NFTs on New Year's Eve. The release of Tiger-FIFA Limited Edition NFTs will be accompanied by an additional 25 free Tiger NFTs for new and current MyLand.Earth members.

MyLand.Earth Metaverse™ on www.myland.earth is a web 3 platform, a 1 to 1 digital twin of planet Earth for Metaverse development with NFT proof of ownership.

“

Get MyLand.Earth Tiger FIFA NFT Limited Edition as a collectable on www.opensea.io or receive it when you buy your local sports arena or a stadium land property on MyLand.Earth Metaverse Platform.”

MyLand.Earth Metaverse Platform.”

To commemorate all those in FIFA who dare to wear the number 10 jersey, Myland.Earth Metaverse™ will issue a limited number of #10 soccer apparel on New Year's Eve. This FIFA NFT presale release pays tribute to these outstanding athletes and teams that go “full out eye-of-the-tiger” to win.

“Don't drop the ball on this FIFA Tiger NFT limited edition, it's going to be huge for sports fans!” says, Kevin McInerney, the Project Leader of MyLand.Earth Metaverse. “Get MyLand.Earth Tiger FIFA NFT Limited Edition as a collectable on www.opensea.io or receive it when you buy your local sports arena or a stadium land property on

Global gamers, application developers, digital content creators, and Metaverse enthusiasts flocked to the MyLand Metaverse™ website on www.myland.earth for the July 4th weekend platform launch this year, and now can take advantage of this Eye of the Tiger NFT giveaway.

With a successful platform launch, MyLand Metaverse™ continues on its path to build a Metaverse world. With a community of content creators that contains online gaming, Metaverse developers and Blockchain users, MyLand Metaverse Project Team launched the first-in-the-market 3D Navigation on the MyLand.Earth Platform.

MyLand.Earth Metaverse™ also plans to launch MyLand Metaverse Engine beta release in March-April time frame, which is built on its current digital Earth and will allow Metaverse content/apps/games developers to implement 3D/VR contents, and allow online users to upload their 2D/3D contents in MyLand 3D space templates – a platform for Metaverse building at all levels on each virtual land ownership.

MyLand.Earth virtual real estate and Metaverse land lot ownership presents investors with a unique opportunity to participate in an Earth-based Metaverse development project. Since its June 28th gaming platform launch, over 100,000 metaverse land lots in NFTs were sold in the first 3 months of the launch. Global gamers, application developers, digital content creators and Metaverse enthusiasts gathered to witness the birth of MyLand

entertained, enjoy virtual travel, to engage in social networking, and attend sports events, music concerts and manage business activities.

3D is an integral part of the Metaverse world. The MyLand Metaverse™ Platform turns the traditional 2D map into 3D for data visualization, location exploration and geographic analysis. This 3D conversion is the first step for NFT investors to locate real estate landmarks, museums, libraries and travel destinations.

Initiated by a team of seasoned Blockchain engineers, digital artists and Silicon Valley entrepreneurs, the MyLand Metaverse™ is set to launch its Initial Exchange Coin Offer in Q2 2023.

“Fans who are passionate about the soccer game, must go to www.myland.earth and register with your email for the free NFT giveaway.” Kevin McInerney continues, “Myland.Earth Metaverse™ Sports NFT Tiger Collection will become the benchmark in serving the needs of sports fans in 2023 and beyond. From FIFA to NFL we got you covered !”
