[EINPresswire.com/](https://www.einpresswire.com/) -- Carmel Valley is experiencing a revolution in recreational and medical cannabis, as the Valley's first licensed dispensary, Joint Venture, officially opened its doors for a soft-opening on Monday, December 12th, 2022. The new dispensary storefront has planned a Grand Opening Event for January 14th, 2023, featuring live vendor demonstrations and exclusive promotions.
