“

“AMERICAN STRONG” is a song that salutes the brave men & women in uniform! In a time when our nation is heavily divided, “AMERICAN STRONG” is a refreshing reminder of who we are at our core.”

The past several years have proved to be difficult for everyone. Amid the common struggles, natural disasters and on top of all that a worldwide pandemic pushed most to the point of breaking. But in the end Americans did what they always do; we all put our differences aside, came together, and made it through.

"AMERICAN STRONG," written by Mitch Townley and Lee Johnson, is a song that salutes the brave men & women in uniform, military, police officers, fire fighters, and all first responders! In a time when our nation is heavily divided, "AMERICAN STRONG" is a refreshing reminder of who we are at our core. To quote the song "We stand up, show up, roll our sleeves way up, and get'r done!" -Tony Alan Bates

"If you mess with one then it's always game on," standing with our fellow Americans, that is AMERICAN STRONG!
